Volume 2007, Number 10

Governor Crist has signed a \$71.5-billion state budget for 2007-08, having exercised his line-item veto authority to veto a record total of \$459 billion in specific appropriations. In addition, the Governor has added \$7 billion to state reserves. In his veto message, Governor Crist emphasized his commitment to spend the people's money wisely in light of the limited funds available in a tight budget year. Approximately \$45 million was vetoed from funding appropriated to Pre-K – 12 education programs, including funding for mentoring programs, reading programs, FSBA training, teacher recruitment and retention initiatives, and a variety of other educational enhancements. A complete list of the vetoed education appropriations is provided below. We have also updated and attached the Budget Proviso section from FSBA's 2007 Legislative Session Summary with vetoed items struck out and highlighted in gray.
