NOTES:

- Due to redistricting, several current Senators sought election in a different district; former district numbers are noted and current Senators in these races are designated as incumbents
- 20 incumbent Senators were re-elected during the 2016 election cycle
- 20 new Senators were elected during the 2016 election cycle
- 8 incumbent Senators did not seek re-election due to term limits
- 10 incumbent Senators did not seek re-election due to seeking a different office or retirement
- 2 incumbent Senators were defeated during the 2016 election cycle
- The current composition of the Senate of 26 Republicans and 14 Democrats will change to 25 Republicans and 15 Democrats as a result of the 2016 election cycle (pending certification of the election results)
