# Focus on good governance

# Give your Superintendent space to execute

# Provide a unified message

Stay informed—rely on  
primary sources

# Be clear on emergency procedures

Be flexible—things  
continue to change

# Question

How are school boards expected to meet under these conditions?

# Question

How will budgets be effected by school closings? What if we lose students?

How will budgets be effected by state revenue shortfalls as a result of the Coronavirus?

# Question

How are we expected to pay all our support staff employees when, for example, we might not need bus drivers running routes?

# Question

What is this instructional continuity plan? How will learning be delivered to students?

Even the most needy students?

# Question

What about seniors?

AP/IB/other tests?

Prom/social events?

Graduation?

# Policy/Resolutions granting Supt. authority to act

Time parameters?

Frequency of reporting back to board?

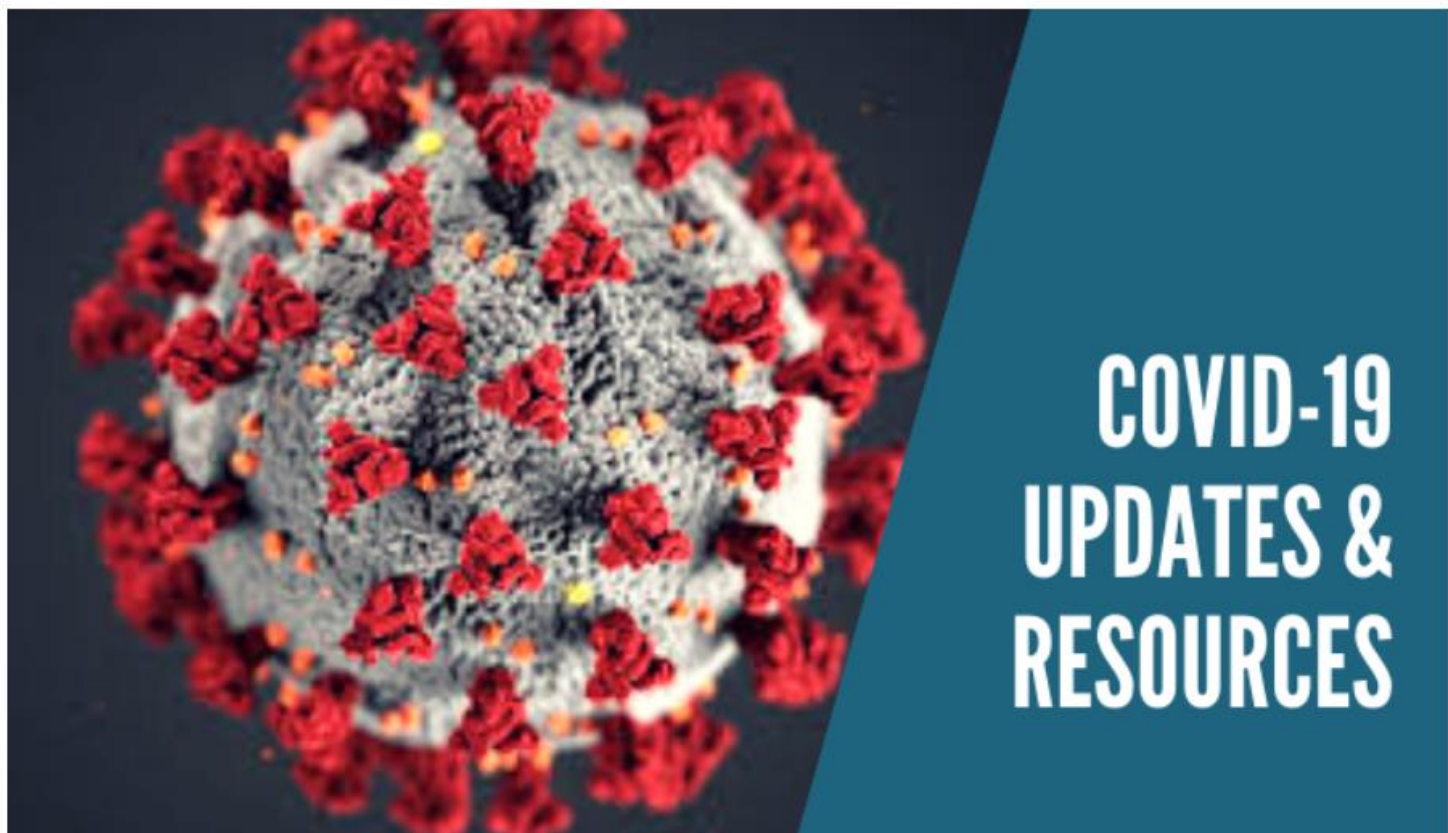

# Governor's Daily Press Conference 8 p.m.

Official request for Conf. Call  
with Commissioner or  
Chancellor
