Notice of Development of Rulemaking

Department: Department of Education

Division: State Board of Education

Rule No.: 6A-6.053

Purpose: The Department is revising requirements of the District K-12 Comprehensive Evidence-Based Reading Plan based on changes included in House Bills 7039 and 5101. Revised requirements include: additional screening, required parent notification, and definition of dyslexia-specific interventions for students who show characteristics of dyslexia; notification to parents of eligible students for New Worlds Scholarship Accounts; prioritization of highly effective teachers in K-2 classrooms; assignment of literacy coaches; ensuring reading instruction and professional learning are grounded in the science of reading; prohibition of three-cueing in the teaching of word reading; and inclusion of all district schools; include charter schools, unless a charter school elects to submit a plan to the sponsoring LEA independently from the school district that complies with all of the plan requirements.

Notice of Development of Rulemaking

Department: Department of Education

Division: State Board of Education

Rule No.: 6A-6.0571

Purpose: To adopt new postsecondary lower division career and technical education programs that institutions may offer effective Spring 2024. This will include the adoption of a 60-credit hour Semiconductor Engineering Technology Associate in Science (AS degree) and a stackable 18-credit hour Semiconductor Cleanroom Operator college credit certificate (CCC). These programs have been developed to meet Florida's semiconductor manufacturing and production industry needs. This will be done by adopting the secondary and postsecondary career education programs prescribed in Sections 1004.92 and 1011.80, F.S., and listed as "Manufacturing".
