Notice of Proposed Rule

Department: Department of Education

Division: State Board of Education

Rule No.: 6A-1.0014

Purpose: To revise existing requirements of the statewide comprehensive management information system to implement changes required by school districts and to change state reporting and local recordkeeping procedures for state and/or federal programs as described in the updated FDOE Information Database Requirements. The rule also adopts the updated FDOE Information Database Requirements: Volume I - Automated Student Information System, 2324 and Volume II - Automated Staff Information System, 2324. The effect maintains compatibility among state and local information systems' components. The statewide comprehensive management information system provides the data on which the measurement of school improvement and accountability is based.
