Notice of Development of Rulemaking

Department: Department of Education

Division: State Board of Education

Rule No.: 6A-14.096

Purpose: SB 240 created s. 1007.331, F.S., for a site-determined associate in applied science (A.A.S.) and associate in science (A.S) degree access. This rule establishes a process for charter technical career centers and school district career centers to seek approval from the State Board of Education to offer Associate in Science and Associate in Applied Science programs for the purpose of meeting district, regional, or statewide workforce needs.

Rule No.: 6A-1.0018

**Florida School Boards Association
RULE MAKING NOTICES**

Purpose: This rule development supersedes the previous development submitted 11/7/23 vol 49/217 and cancels the rule workshop scheduled for 11/21/23. Rule workshop has been rescheduled below. To set forth requirements relating to school safety and to define certain safety measures that schools are expected to meet. Amendments will address changes as a result of the final transition to the Florida Harm Prevention and Threat Management Model, and add additional requirements for emergency drills and for Alyssa's Alert implementation. Other general matters relating to school safety monitoring, reporting and training will also be considered.
