**Notice of Proposed Rule**

Department: Department of Education

Division: State Board of Education

Rule No.: 6A-5.0411

Purpose: The purpose and effect of this rule amendment is to adopt an updated "Florida VAM Course List," which is the publication that lists the courses a teacher can teach to receive a value-added model (VAM) score, and to amend directory and rule reference information that has been updated since the rule was last amended in 2022.

**Notice of Development of Rulemaking**

Department: Department of Education

Division: State Board of Education

Rule No.: 6A-14.065

Purpose: The purpose of the existing rule is to establish meta-major academic pathways, which are collections of academic programs with common or related content. The amendment will incorporate three mathematics pathways, as required by section 1007.23, F.S., and align programs with the three mathematics pathways and existing meta-majors. The amendment will also provide guidance to institutions regarding implementation of the three mathematics pathways and incorporate by reference the Mathematics Pathways to Programs of Study List.

**RULE MAKING NOTICES**

Rule No.: 6A-10.081

Purpose: The purpose of this rule development is to consider amendments clarifying the ethical principles educators are bound by in the state of Florida, with particular emphasis on the obligation to the educator's students. The development will include consideration of expanding the grounds for disciplinary action against school principals to address classroom practices that can harm students, such as denying students access to classroom materials, including classroom library materials, for reasons unrelated to the educational needs of a student.
