

**Florida School Boards Association  
RULE MAKING NOTICES**

March 18, 2024

**Notice of Development of Rulemaking**

Department: Department of Education

Division: State Board of Education

Rule No.: 6A-10.0342

Purpose: This amended rule establishes a process and procedure for the implementation of s. 1003.491(5), F.S., that requires the Commissioner of Education to conduct an annual review of K-12 and postsecondary career and technical education (CTE) offerings and to phase out programs that do not meet targets. The effect of the rule is to ensure that CTE programs are high performing and prepare students for in-demand occupations.

**Notice of Development of Rulemaking**

Department: Department of Education

Division: State Board of Education

Rule No.: 6A-1.0018

Purpose: To set forth requirements relating to school safety and to define certain safety measures that schools are expected to meet. Amendments will address changes as a result of the final transition to the Florida Harm Prevention and Threat Management Model and add additional requirements for emergency drills and for Alyssa's Alert implementation. Other general matters relating to school safety monitoring, reporting, and training will also be considered, including application of safety requirements to charter, alternative and other non-traditional schools.
