Notice of Development of Rulemaking

Department: Department of Education

Division: State Board of Education

Rule No.: 6A-1.09422

Purpose: To establish new concordant scores for the Grade 10 Florida Assessment of Student Thinking (FAST) English Language Arts (ELA) assessment and comparative scores for the Benchmark for Excellent Student Thinking (B.E.S.T.) Algebra 1 End-of-Course (EOC) assessment. Sections 1008.22(9) and (10), (F.S.), provide authority to the State Board of Education to adopt in rule passing scores that are concordant with the grade 10 ELA assessment and passing scores that are comparable to the Algebra 1 EOC assessment. The effect of this change will allow the Department of Education to update the concordant and comparative passing scores in rule, so they are aligned to the current statewide, standardized assessments required for graduating with a standard high school diploma.
