RULE MAKING NOTICES

Notice of Development of Rulemaking

Department: Department of Education

Division: State Board of Education

Rule No.: 6A-1.094224

Purpose: To revise the uniform assessment calendar template that is incorporated in this rule. Senate Bill 2524 (2022) § 45 required the Department to collect from each school district, by grade level, the range and median number of minutes per school year, including as a percentage of net instructional time, students in prekindergarten through grade 5 spend on district-required assessments and coordinated screening and progress monitoring and state-required assessments and then submit a report summarizing that data to the Governor and the Legislature annually beginning January 1, 2023, through January 1, 2025. Now that the final report has been submitted, the data collected is no longer needed and the section of the uniform assessment calendar template used to collect it is being removed.
