Footnotes:

- ¹ This is a firm deadline for submission of legislative proposals. Any proposals submitted after this date will be held from consideration until the platform adoption meeting scheduled in September.
- ² The Legislative Priority Workgroup is comprised of the FSBA Executive Committee, the Chair and Vice Chair of the FSBA Legislative Committee, the Chair and Vice Chair of the Advocacy Subcommittee, and the Chair and Vice Chair of the Federal Relations Subcommittee.
- ³ The Legislative Priority Workgroup determines if each proposal addresses an issue of statewide concern and is consistent with FSBA's mission and strategic directions. All proposals that meet these criteria are forwarded to the FSBA Legislative Committee for further consideration of the specific merits of the proposal.
- ⁴ The Legislative Committee is comprised of the Legislative Priority Workgroup and a school board member designated by each school district to serve on the Legislative Committee as the district's representative. Only the designated representative – or designated alternate – may vote on the final adoption of the platform.
- ⁵ Adoption requires a 2/3 vote of the Legislative Committee members present, allowing one vote per school district.
- ⁶ No new platform items may be considered except for emergency items for which the urgency of the subject matter arose after the final adoption of the FSBA Platform and must be deemed an emergency by the Executive Officers and the Legislative Committee Chair and Vice Chair. The adoption of any such items requires a 3/4 vote of the members who are present at the General Membership meeting at the annual Joint Conference.
