		<p>academic expectations, and inspire character development.</p> <p>(b) Before distribution of the allocation, the school district shall develop and submit a plan for implementation to its school board for approval no later than August 1 of each fiscal year.</p> <p>(c) At a minimum, the plan required under (b) must:</p> <ol style="list-style-type: none"> <li>1. Establish comprehensive support services that develop family and community partnerships;</li> <li>2. Establish clearly defined and measurable high academic and character standards;</li> <li>3. Increase parental involvement and engagement in the child’s education;</li> <li>4. Describe how instructional personnel will be identified, recruited, retained, and rewarded;</li> <li>5. Provide professional development that focuses on academic rigor, direct instruction, and creating high academic and character standards;</li> <li>6. Provide focused instruction to improve student academic proficiency, which may include additional instruction time beyond the normal school day or school year; and</li> <li>7. Include a strategy for continuing to provide services after the school is no longer in turnaround status by virtue of achieving a grade of “C” or higher.</li> </ol>	

School Choice Legislation

Section	Statute	SB 7070	HB 7075 and HB 7095
		<p>(d) Each school district shall submit its approved plans to the commissioner by September 1 of each fiscal year.</p> <p>(e) Subject to legislative appropriation, each school district’s allocation must be based on the unweighted FTE student enrollment at the eligible schools and a per-FTE funding amount of \$500 or as provided in the General Appropriations Act. The supplement provided in the General Appropriations Act shall be based on the most recent school grades and shall serve as a proxy for the official calculation. Once school grades are available for the school year immediately preceding the fiscal year coinciding with the appropriation, the supplement shall be recalculated for the official participating schools as part of the subsequent FEFP calculation. The commissioner may prepare a preliminary calculation so that districts may proceed with timely planning and use of the funds. If the calculated funds for the statewide allocation exceed the funds appropriated, the allocation of funds to each school district must be prorated based on each school district’s share of the total unweighted FTE student enrollment for the eligible schools.</p> <p>(f) Subject to legislative appropriation, each school shall remain eligible for the allocation for a maximum of 4 continuous fiscal years while implementing a</p>
